How to find our private parking space just one minute from the cottage

Three Bellies Pub

Look for the sign

Space is on the left marked number one

Parking Directions

When coming from up the Bellies Brae direction the private parking space is on your left but, it is much easier to get access to the parking space by driving round the one-way system before driving into the lane towards the space.

As you turn in towards the 'Three Bellies Brae' pub, passing it on your right, and follow the lane for a short distance and you will see our sign for 'Wee Gem Hideaways' Parking. The private parking space is the first one you see and is marked number one with our sign displayed.

From the cottage it is a couple of minutes walk to the parking space. We will issue you with a parking permit upon arrival to display whilst parked in the space.
